ception met on Saturday evening, pursuant to notice, and two weeks, OSCAR D. JOHNS, in the 22d year of his age.

\*\*Corn Exchange" and Willo Cat Bankfras -Financial, Miscalculation.—The investigations at St. Louis in relation to the "Corn Exchange
Frands" of Gilman, True and others, revealed some
curious particulars in the system of wild-cat banking.
It appears that these speculators originally designed to
purchase the Agricultural Bank, of Brownsville Teach
at the corn of the intered by those of his
wife.

France of the intered by those of his
wife.

The deceared, we believe, was a native of Baltimore,
but from early manbood, has been a citizen of West Teatonicus particulars in the system of wild-cat banking.
It appears that these speculators originally designed to
purchase the Agricultural Bank, of Brownsville Teach
at the corn of the second of the special or the state of the second of the sec to mourn his death.

Chicago, and Alexamber McClurg, of Racine, Michigan. A man named Gro. E. Williams, brother inhis banking house, was placed on the witness stand, by the buried in Morris Cemetary to-day with Masonic has banking house, was placed on the witness stand, because the banking house, was placed by the banking house, which have been been been been been be

Q.—Do you know for what purpose these drafts were issued? A.—I do not know; I have my opinions, of course. I saw defendant, I think, in January, for the first time, in Chicago; I think I saw him there in relation to the purphasing the Astrontical Rock in Manuary of Sand Adelle Hightower, aged four mouths and fifteen days. to the purchasing the Agricultural Bank, in Browns- 13" Nashville papers please copy.

The conversation with True was that I should step forward and examine the charter and condition of the Bank, and it satisfied with it, purchase the Bank on the terms proposed by Mr. True. The party purchasing it proposed to pay of, as the atterney for Mr. Breck, proposed to pay of, as the atterney for Mr. Breck, proposed to pay a bonus of ten thousand dollars, payable to bills of the Bank to the party now adding it, the party heiding it agreeing to mark those bills and protect its circulation for one year; at the expiration of the year the bills were to go down there to be redeemed by the Bank; that the method by which the bonus was to be paid. were to go down there to be redeemed by the Eank; that is the merhod by which the bonus was to be paid.

Q — Bid Trus tell you that an amount would be wanted to remain from the Tennessee Banks? A.—It would take gay 500 : f Eastern exchange. I mean by this it would be specie funds. Breck was to furnish the drafts on the days of May next, have, in the fulfillment of completian of the negotiation, and they were to remain in the Rock as appointed the following Committee Rock as appointed to the method to O -Do you know whether True knew what were to be tees :

the Bank as specie funds.

Q — Do you know whether True know what were is be the terms of the wegotiations for the Agricultural Bank?

A — Yee air, cartainly; for he first discovered that it was for sale. He was as fully posted in the circumstances of the Bank and its comfoct, as well as I was; he know that the Breck exchange was to be used as part of the capital of the bank.

Q — Who was to manage that Bank? A — Tou would need to see the charter to understand that. True and Gilman were not to go to Brownsyllie to conduct that bank, but True was to circulate so much of the money as they could. I don't know that Gilman was to do say thing an Tennessee. True was to make himself generally useful in circulating the noies, turnishing collateral security for all the notes he got. The exchange was to remain in the bank, and not to be used miless in the event of a run, when it would be sold, and the fact telegraphed, so that it could be provided for.

Q — Was that within the knowledge of True? A — Or cause he know if there was a run specie would have to be pai' thio the bank. It was necessary to have tuese durits there to comply with the chapter. The Legislature have not supposed that all of the exchange would be is good. There was hot there is a man came with one of the directors, and he speck to hanch r director, and he gave it to be understeed that there was a Northern Abelilionist that was trying to run of "niggers," and that he would run on the bank, too.

Q — Did he not know that it was never intended to use these drafts? A — He must have known it.

Q — Do you know if he know it? A — We examined the thing together. True was not known, however, in the details of the working of the bank, became I did not called the details of the working of the bank, became I did not called the details of the working of the bank, became I did not called the details of the working of the bank, became I did not called the details of the working of the bank, became I did not called the details of the working of the bank has been been matter to the other parties, and we did not go into the letails of the working of the bank; because I did not sean him to be inable the bank; but he certainly knew

LEONARD'S South American Fever & Ague Remedy! Is a Cheap, Safe and Permanent Cure,

AND IS ALSO A PREVENTIVE OF THE VARIOUS FORMS OF Bilious and Intermittent Fevers.

PRICE ONE DOLLAR PER BOTTLE.

G. A. LEONARD, Esq.—Deer Sir: Having suffered from severe attacks of Fever and Ague, I had nearly despaired of finding any relies, other than a temperary size. But while laboring under a severe attack, it was suggested to try your remedy, and, no ike other remedies I had used, it has proved a prompt and permanent cure, as 1 have never before gone so long without having the complaint, and can recommend the S. A. Fever and Ague Remedy as a valuable one for the effectual cure of the disease.

ROST F. PHILPIT,

NEW YORK, Dec. 1, 1855 Car. Wall and Water-siz. Mr. A. P. Ster ing, of this city, has consented to the publication of the following facts, over his signature, oncerning a cure perfected by the use of this remedy, which facts are corroborated by the Rev. L. M. Pease,

which facts are corroborated by the Rev. L. M. Pease, who was acquainted with all the circumstances.

MR G A. LEONAND—Dear Sir. Some ten day since. I heard of a poor but deserving German, in Mulberry street, who was suffering from a severe attack of chilia and fever, contracted in the low grounds, rear Newars, N. J. I gave him one bottle of your South American Fever and Agne Remedy, and it affords me pleasure to say that the disease has been broken up by its use, and a permanent cure effected. Truly yours,
NEW YORK, NOV. 5, 1855. A F STERLING.
I am acquainted with the facts set forth in the above certificate, and can witness to the truly of the state-ments therein contained.

L. M. PKASE. Sop't Five Points House of Industry The following Certificates of Fred'k L. Hertie and Henry Moore are among those peculiar cases in which a permanent cure can be effected netwithstanding their continued exposure to predisposing causes. At the time the cures were perfected, they were exaged in the Chemital Works of Mesers. Chas. Pfirer & Co., of this city. After having been troubled with Fever and Agne for marly a whole month, and awallowed lots of Quinne, an acquaintance of mine recommended me to try a bottle of what is called the South American Fover and Ague Remody, and sure enough it worked like a tharm. I took it only one day, and that was the last I saw of the fever.

Sular-Logisian—We still have but a limited destance will re-saure how who have been precented from winting the city by the sentercape the sentence will be sentenced in the sent DR. PENNER also attends to all Diseases of the Eye and Har, and is prepared to Board Patients from a THE subscribers beg leave to amounce to their friends and the public that Mr. R. B. Bone, of Hickney Wythe, Tenn., becomes a partner in their bonse this day. The Groc ry and Commission but loss will be continued by them under the style and firm of GOODLETT, BONE & CO., at their old stand, No. 47 Front Row, they assuming the habilities and entire course of the house of Goodlett, Nabers & Co. They hop by strict attention to business to merit's further kind patronage, herefolders in the continuence of the parties, but that the medicine, to which I ow recovery.

Sept. 20, 1855. 96 McKibben-st, williamsburg the habilities and entire course of the house of Business to merit's further kind patronage, berefolders of the parties, but that the medicine with much interest, not only from the very residence in this valuable charges. N. T., and those received through him, we can with much interest, not only from the very residence in this valuable charges. N. T., and those received through him, we can with much interest, not only from the very residence in this valuable medicine, to which I ow receive.

MEMBER SEPT. 20, 1855. 96 McKibben-st, Williamsburg. The certificates of Mr. J. G. Underhill, Drugging and the public day of the house of the hard with much interest, not only from the very residence in this valuable medicine, to which I ow receive.

MEMBER SEPT. 20, 1855. 96 McKibben-st, williamsburg and the public day of the parties of Mr. J. G. Underhill, Drugging and the public day of the public day of the state of the public day of the state of the same and the public day of the state of the same and able character of the parties, but that the medicine was used noder very unfavorable circumstances, and only when other remedies had been used without success.

Mr. G. A. Luonand, N. Y.—Dear Sir: Included you NO. 15 JEFFERSON STREET. known. I take the responsibility to warrant it. Mr. Stephen Henderson, of this place, sent a bottle to his wife's sister, with like good results as when used by nimed and wife. Mr H. is an old man, a very respectable citizen of this place, and is well known.

Truly yours, &c., JAS, G. UNDERHILL. JAMAICA, N. Y., Sept. 28, 1855. We, the undersigned, have used the S. A. Remedy for Fover and Ague and Intermitting Favers, and it has made a perfect cure of surselves and families, and with much pleasure recommend it to the public as a safe ELBERT CONKLIN, WM. JOHNSON, CHARLES J. GALE, WM. BENNETT. JAMAICA, N. T. Sept. 27, 1835. ME. J. G. Understill, Drugsist, &c.—Door Sir: 1 MR. J. G. UNDERSILL, Dringist, &c.—Dear Sir: I have used the South American Remedy, so highly recummended by you, both for myself and wife, and we have been cur d. I believe i is the best medicine for the chills and ferer out. I should not have used it if you did not warrant a cure, but now I am satisfied it is all

ou recommended it to be. Yours, respectfully, STAPHEN HENDERSON. JAMAICA, N. T., Sept. 27, 1855. MR G. A. LEONARD—Dear Sir: My mother, an aged lady, was afficied with the chira and fever very bad last summer, and having heard your medicine highly recomnended, the was induced to try it'; after taking one and mended, the was induced to try it; after taking cue and a half bottles, she was perfectly cured, and I choerfully recommend it as a safe and sure cure. Respectfully, yours.

More certificates might be added to swelt the list, but a delicacy on the part of many to have their name appear. in print, prevents a publication of them. The arove, however, are sufficient evidences to establish the fact that this remedy is without an equal for the permanent cure of the Fever and Ague.

LARGE SALE OF REAL ESTATE, ADJOINING MEMPHIS, ON LONG TIME. WILL commence, on SATURDAY, 2d DAY of MAY NEXT, and continue from day to day until all is sold to sell at Auction, on the premises, J. OVERTON'S TRACT OF ONE HUNDRED AND SIGHTY-ONE ACRES of LAND. his tract lies between the south line of Memphis as 4 the north line of Fort Pickering, and fronts on the he assemble iver. It has been subdivided into convenient sized Lots, with the Depot of the Miselesippi and Tennessee Railin ad

tion of the Memphis and Charleston Hailroad, and the rapid progress to completion of the varies a other add terminating at this point, gives to Memptis an importance, in a commercial point of view, unequal Mississiph Valley, and holds out a ducements to purchasers never before presented in its South. This the largest sake of Mai Estate ever made in the State of Transasses.

MS—One fifth cash, or note satisfacturily endows d at six months, with interest added; halance in one, iwo,

bree and four years, with interest. G. B. LOCKE, Auctioneer and Real Estate Brohes. In calling attention to the sale of the Overton property, I beg leave to make a few vennaria, setting forth the advantages of Memphis for manufacturing and commercial purposes. Memphis is situated on the thirty-fifth degree as North latitude, a climate below the cold weather of the North, and above the hot weather of the South and consequently free from all the diseases prevalent in either. We are surrounded by a rich, farthe country, which must find an outlet at this point, far superior in extent and fertility to that in the vicinity of say fown or city to the Union. Vicinburg is four hundred miles South, and Louaville or St. Louis are the nearest cities North that can command any trade, and these are the nearest points to Memphis that are worthly of notice on the Mississippi of Obio rivers, approachable from the interior without artificial means. Of this wast extent of country, which is exceptible of fine cultivation, four-fifths of it is yet in a state of nature. Our binf is washed by the Father of Waler, that never the country which is the country of the cultivation. THIS preparation contains no Arcenic or Mercury, and will not, like the many compounds now recommended for Billous or other Fevers, leave the system in a condition more to be dreaded than the disease; but its grad social in a condition more to be dreaded than the disease; but its grad social in its Country, Preventive and Resistantions of the system. Acceptable from the disease; but its properties, and is adapted to all AGES and condition more to be dreaded than the disease; but its conjugation of the system.

Acceptable for miles of the cultivation, recreasing or gots too law for cavigation, upon whose bosom floats twenty five streams that we are the meaning of the system.

Acceptable from the disease; productions into our city daily. We have at this time four allowed the articles which enter into its composition are of themselves, singly, remedial agents for the curs of Billous and International Section of the Statistic form here of the section of the Summer and Fall mouths, when malarious diseases are most prevailent.

A Treatise by G. A LEONARD, New York, on the disease, with Treatise ty G. A LEONARD, New York, on the disease are now receiving can be obtained gratuitously, at all the places where the medicine is sold. The following statement of the Five Points House of Industry, as itself below, is one that speaks volumes as to the valuable report of the remedy.

Mr. G. A. L. Onaho—Sir: I take a pleasure in ransatting to you the following facts, in reinition to a current the second of the remedy.

We recired and season over 300,000 bales of Colton, and by the extension of our Railroad inprovements we will have a read from here to St. Louis, that will traverse a section of country of country in the following statement of the Five Points House of St. Louis, that will traverse a section of country of country in the following statement of the Five Points House of St. Louis, that will traverse a section of country of country in the following statement of the Five Points House of St. Louis, that will traverse a section of country of country in the following statement of the Five Points House of St. Louis, that will traverse a section of country of country in the following statement of the Five Points House of St. Louis, that will traverse a section of country of country in the country in the Five Points House of St. Louis, that will traverse a section of country in the country in the following statement of the Five Points House of St. Louis, that will traverse a section of country in the country in the following statement of the Five Points House of the dividing ine between the suppressed at the One of the origing the result of the Points and the Five Points House of the Internet St. Louis, that will traverse a section of country in the country in the Five Points House of the dividing ine between the suppressed at the One of the dividing ine between the suppressed at the One of the dividing ine between the suppressed at the One of the dividing ine between the St. Louis House of the dividing ine between the suppressed at the One of the One of the Country House and the House All the Points House and the Five House and the Five House and the Five House and the Five House and the House and the Five House and the Five House and the Fiv We received ast season over 300,000 bales of Cotton, and by the extension of our Rajirous improvements as sixting to you the following facts, in reinition to a current by the use of jour S.
